On «Eurasian week in Belarus – 2015»

Dear Mr. Roguski!

As you might know, the Treaty on Eurasian Economic Union (EAEU) came into force on January 1, 2015 and the Republic of Belarus presides in EAEU in 2015. With this regard integration events «**Eurasian week**» in **Belarus - 2015**» and «**Belarusian Industrial Forum – 2015**» are being organized on May 12-15, 2015.

The programme includes exhibitions, international symposiums, conferences, contests and special projects:

- *international specialized exhibition* of equipment, instruments, and materials for production accessories of enterprises in main industry branches - **PROMEXPO – MODERN WORKS**,
- *international specialized exhibition* of power and electro-technical equipment for industry – **PROMENERGO**,
- *international specialized exhibition* of energy and resource saving technologies, equipment, materials, and technologies of environmental protection in industry, energy, construction, city and housing-and-communal services - **ENERGY AND RESOURCE SAVING & ECOLOGY**,
- *international specialized exhibition* of scientific-research and design developments, innovative projects for industry - **SCIENCE AND INNOVATIONS**,
- *conference-exhibition* «PromIT-2015» on information technologies in the industry,

- *International contest* of energy-efficient and resource-saving technologies and equipment
- *Competition of welders* of Belarus with international participation.

The participants will have the possibility to present their goods, to get acquainted with exported goods of foreign partners as well as to participate in the International symposium «Technologies. Equipment. Quality» and to discuss the most target issues of industrial sector. The Forum is anticipated to become a good platform for establishing new contacts, concluding perspective contracts and developing international cooperation.

We kindly ask you to inform all the interested parties in Poland on these events. Please provide us with the list of participants by **March 1, 2015**. If needed, BSCA is open to provide our foreign guests the necessary support.
